

What is the One Young World Global Leadership Programme for 2023?

The One Young World Summit is at the heart of the Delegate experience, and the gateway to lifelong membership into a unique community of over 15,000 outstanding young leaders.

As part of our wider Delegate Leadership Programme, prior to the Belfast Summit, we offer a six-month series of digital events designed to provide delegates with enhanced and comprehensive leadership skills and principles, alongside expertise around this year's plenary themes.

Delegates will also have the opportunity to find out what to expect from the Summit, how to prepare, and the chance to connect with their peers.
