Our mission is to
create a world where
leaders with integrity
are empowered to
**build a fair,
sustainable future
for all.**

Introduction

Workshops are a crucial part of the One Young World Summit, providing Delegates with practical insights into the issues and topics they are most passionate about.

All workshops hosted during the Summit deliver immediately applicable skills, techniques, ideas and/or processes which Delegates can implement in their projects and initiatives later on.

Workshops that have previously received highest praise from Delegates were interactive, scenario based and/or focused around Delegate breakout discussions. This includes the use of scenario based challenges, problem solving, group challenge/goal setting, as well as the opportunity for shared Delegate experiences.
